Fairytale Ball

Year 1 and 2 had a brilliant end of half term with the Fairytale Ball!
All children in KS1 dressed up and started the day with a colourful parade around school and finished with dancing in the hall. The children even learnt how to waltz!

Curlew Action!

Year 5 have been handed a very important mission to find out all about curlews—how they are endangered and how we can help. Both Y5 classes visited Sunderland Point to look for curlews and other birds, as well to record bird song. It was a super start to a wonderful real-life project.

Lancaster BID—Easter Bunny

Lancaster BID are working with 8 local primary schools to decorate our giant paper mâché BID bunnies. We are lucky enough to have been chosen to be one of these schools.

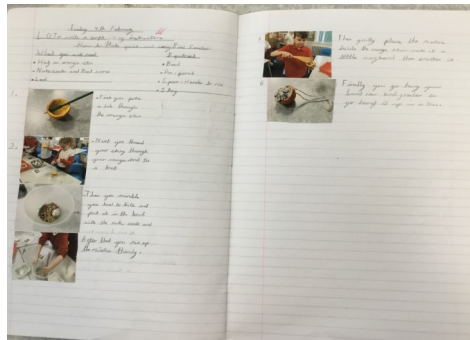

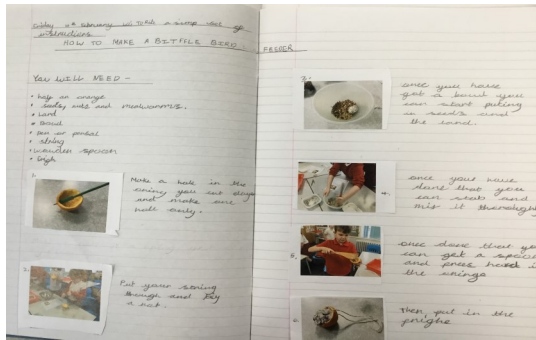

To see our finished bunny make sure you visit the trail on the dates below and get voting.

Trail Duration: The trail will start on Tuesday 1st April and will run through to Mon 18th April to coincide with the Easter holidays.

Competition for the contributing schools: We will be inviting members of the public to vote for their favourite bunny. The winning school will receive £100 to spend in a city centre business on resources or treats for the kids, and a mention on our social media platforms.

How to make bird feeder by 3R

The children in 3R have been writing instructions for how to make a bird feeder. I promised that the best ones would be published in the next newsletter so here they are.

Year 3 trip to Leighton Moss

Year 3 had a fabulous (if a little wet) couple of visits to Leighton Moss recently. They were able to discover birds and learn about different types of habitats. It really is a special place and well worth a family visit.

A big thank you to Joseph A Jones
Solicitors and The Areti Trust for this amazing
opportunity.

KELLOGG'S BREAKFAST CLUB

A big thank you to Kellogg's for their generous donation towards our breakfast club for another year!
