Year 5 have really enjoyed their Ancient Egypt topic and have done some tremendous work—writing, art as well as history. Mr Kearns has greatly enjoyed his time teaching 5G. Ms Garlick is coming back from maternity in January so we will be saying our goodbyes to Mr Kearns. We wish him all the best in his future teaching career!

## RYELANDS UNIVERSITY

This half term we have started a new initiative called 'Ryelands University for Life'. Children choose from a range of courses that they join for the half term and learn skills they can use in the future. Year 5 and Year 6 have started their Ryelands University for Life journey and all children in Years 1-6 will get a chance to participate over the year. This term we have had: cooking, sewing, cycling, languages, gardening and many more.

If you think you would like to help us out on a Friday afternoon at Ryelands University for Life please contact Mrs Sanders. We would love to have the support of our community.

### 3R VISIT TO ST. CHAD'S BY AMBER AND AMELIA

On Tuesday, we went to see Rev. Caitlin. She showed us the organ. The organ is very, very loud. We asked her questions. I asked her 'When do you finish work at night?' She said about 9 o'clock. She was wearing a black robe.

We asked Rev. Caitlin questions about her job. She said she does weddings, Christenings and funerals. She talks about Jesus to lots of people.

### SCHOOL COUNCIL

School Council Representatives from Years 5 and 6 recently attended Pupil Parliament at Lancaster Town Hall. During the morning, they worked alongside other school council members to create a poster about protecting the Earth and then in the afternoon they sang songs to raise awareness about the global situation. The children were fantastic and we are very proud of them.

## SPORTS NEWS

**FOOTBALL** On 29th November, the Y5 and Y6 Boys Football team went to play in a tournament run by Morecambe FC. There were 32 teams involved and our boys did themselves and Ryelands proud. They went through the league games conceding only two goals and winning 6 of their 7 games. They narrowly missed out on the semi finals with an incredibly tense penalty shootout. *Congratulations on the great teamwork and success!*

**CYCLING** At the beginning of this half term the Y5 children took part in Bike-ability training and safe cycling on the road. Almost every child took part and they all passed! At the end of this half term the Reception children have had the fantastic opportunity to learn to ride a bike. It has been an absolute joy to see them balance and take off riding for the very first time. *Fabulous!*
