

Ryelands Reading News

Welcome to the first reading update of this school year. Last term was a fantastic term, with lots of exciting events in school. Every term, we will send you details of events and initiatives that we are working on. Please help us to help your child improve their reading and love of books.

Visit from an author

September seems a long time ago, but that was the first reading activity of the year. Dan Worsley, a local author, inspired KS2 children with his hilarious impossible tales. Since then, library club have created a display in the library about his visit and have written letters of thanks to him. We are hoping he will also be back later this year. More details can be found at <http://danworsley.com/>

Reading Project

Children in Year 5 have just started their home/school reading project, which they have embraced with great enthusiasm. Whilst reading a specified book, the children will have exciting tasks to complete with the help of adults at home. There will be more updates on this and other Year group projects later in the year. We hope this continues to be an exciting and rewarding project for everyone involved.

Library Membership

Year Five visited the library recently and the majority of the year group signed up to become members. Is your child a member of a local library? If they aren't, the application process couldn't be simpler. You simply need to pop into the library, fill in a form and then your child will gain access to hundreds of books. Not only this, but we are planning for each year group from Year 1 to 4, to visit the library this academic year.

Reading at home

Well done to all the children throughout school who are reading at home regularly. A special mention is needed for some of our KS1 star readers.

Billy, who has recently joined us, has now tried really hard and read 10 times since Christmas.

The following children in Year 2 have read over 50 times: Roxy, Thomas, Lily and Ella.

The following children in Year 1 and 2 have read over 75 times: William, Leyla, Amelia, Taylor, Ryan, Ronan and Ruby.

Oliwia in Year 2 has read an incredible 142 times!

These are wonderful achievements.

Reading volunteers...we need you!

Do you have any spare time during the week? Would you like to support us in developing a love of reading across the school? Call into the school office and let us know. We would welcome any help!
