

# Values Hero!

Ryelands Primary and Nursery School

Our **Respect** Values Hero:

**Thomas**

Thomas is an incredibly respectful child. He only ever speaks kindly to his classmates and adults around school. Throughout the year, many adults have told

Thomas' class teacher how

wonderfully respectful and polite he is around school.

He always says 'please' and 'thank you', and considers the needs and feelings of others. Because he gives so much respect, he is respected and very well-liked by his friends and teachers. Thomas is an absolute shining example of **respect** in practice. What a well-deserved Values Hero! Well done Thomas!

Summer 2: **Respect**

# Respect

Our value for the Summer 2 half term is **respect**. We think that it is so important we should dedicate two half terms of learning to it!

This half term, Ryelands pupils are continuing to think about how they can show respect to **places**, **things** and **people**.

Our pupils are learning that a little respect goes a long way in forming and improving friendships. Please discuss the ideas below with your child:

Do what is **RIGHT**,

Not what is **EASY**.

Respect others not because of who they are-but because

## At Home

To take your child's school learning about respect home, why not try the following:

- Lead by example. Make sure your children witness you treating others with respect.
- Model manners and praise your child when they say 'please', 'thank you' and 'excuse me'.
- With the 75<sup>th</sup> anniversary of the D-Day landings just behind us, it's a great chance to take the opportunity to talk to your child about the incredible courage shown by WWII soldiers, and how it is important that we continue to pay our respects to their bravery.
- If your child is being disrespectful, talk about what happened once things are calm, and discuss what they need to do differently next time.
- Tell them that it's okay to feel angry and get things wrong, but that it's never too late to say sorry and learn from our mistakes.

## Summer 1 Values Victors!

The Values Victors award goes to the class who, over the half term, used our values the most during lunch times in school.

Well done to 5A who consistently practiced our
